

A Kingdom of Ruin (Deliciously Dark Fairytales Book 3) (English Edition) eBook : Breene, K.F. By K.F. Breene **Kingdom of ruins book 3** The stories had a different feel to them compared to some of her other writing (that's not a bad thing FYI) and as someone who pretty regularly reads dark/er themed books with plenty of smexy times it wasn't because the first installments were heavier on that side of things. **EBook A Kingdom of ruination** Regardless of the several updates about how dark and dirty the first couple of books were this wasn't why I rated it a little lower even though there were warnings about how raunchy it was (I really didn't think it was that bad maybe all the talk and hype about this is why I found it lacking and not as shocking as it was made out to be?). **Kingdom of ruins book 3** What I did find however was that there were over the top and constant to the point of tedious smexy times that took over the story to the point that they seemed to become the plot. **A kingdom of ruin spoilers** A Kingdom of Ruin for me was a return to what this author does best and flipped the pattern of the first couple of books around: hot scenes that were secondary to (while still heavily there) excellent writing and world building. **Kingdom of ruins book 3** I'm not going to lie with the author posting updates to hang in there warning readers that this wouldn't be a light read and that Finley would be run through the gauntlet I was worried this story might fall a little flat for me again. **A Kingdom of Ruin kindle paperwhite** There's torture what seems to be coercion and non con scenes as other prisoners in the demon kingdom are drugged with their lust magic and made to get down and busy with the highest bidders for Dolion's monetary and influential gain and pretty much most of the book with our heroine away from her love Nyfain. **A kingdom of ruin spoilers** I expected this (again from the author's warnings) and while I thought this would bother me there was so much going on that I actually didn't miss it and it made the build up to an inevitable reunion that much better. **PDF A Kingdom of ruined** There were plots brewing and an excellent bunch of secondary characters introduced produced as a result of the demon king having a kink for taking shifters faeries and the like and locking them up. **Kingdom of ruins book 3** Be warned apart from their ability to read each other through their bond there's not a great lot of the physical form of Nyfain in the story until towards the end (I think it's around the 78% mark). **A Kingdom of Ruin kindle paperwhite** Hadriel our favourite mediocre butler also gets to shine throughout this book and while I found him laid on a bit thickly and cliché like in the first couple of books I really loved him in this one. **EBook A Kingdom of ruination** Either way I found myself laughing out loud for a lot of his commentary rather than leaning towards rolling my eyes and he's become a character who can hold his own (even while soiling his pants lol). **A Kingdom of Ruin kindle paperwhite** I thought some of them would be dragged out to the next book but thankfully they made an appearance here in many an action packed scene that had me cheering from the sidelines. **Kingdom of ruins book 3** I won't ruin any of them here and the author has still kept a few secrets up her sleeve but there were enough reveals to keep my jaded heart happy and add an extra kick to the overall plot making sure the book finished on a high note. **A Kingdom of Ruin kindle paperwhite** It's got me chomping at the bit for the next one so jump in and get Book 3 if for no other reason than the fact that I'm pretty sure the author is going to snap if another person says they're not buying any books in this series until its finished. **Book A Kingdom of ruined** Well if - like me you thought the ending of 'A Throne of Ruin' was a weepy one be prepared to have your heart wrenched and wrung out for a great deal of 'A Kingdom of Ruin' as we're about to follow Finley into the bowels of the Demon King's castle. **Kingdom of ruins book 3** " The Demon King has a lot to answer for but while we're aware of what he's been doing to the golden dragon's kingdom we're about to learn a little of what he's been up to in other realms and just what he gains for his efforts.

surpasses the first couple of novels but for me this has been the best book of the Ruin series so far: **Kingdom of ruins book 3** This author has always been a five star read for me as well as being a automatic one click and I've read pretty much all of her work (and reread them many times): **Book A Kingdom of ruination** While I enjoyed Books 1 and 2 as this series started out I rated them 4 stars, **Book A Kingdom of ruinous** This author creates fantastic worlds with even better main and secondary characters: **A Kingdom of Ruin kindle paperwhite** The steam complemented the story rather than became/overtook it if that makes sense: **Kindle A Kingdom of ruinous** Long story short this was a complete winner for me and had me breathing a sigh of relief as the plot blasted through the territory I had been hoping for: **Book A Kingdom of ruination** If you haven't read the first two installments in this series you need to and there might be small spoilers here and there below as a result so you've been warned, **Kingdom of ruins book 3** Book 3 picks up where its predecessor dropped off: Finley is being carted off to Dolion's kingdom to be chucked in to his dungeon, **The kingdom of the ruin** The focus? Escape and getting back to Nyfain and Wyvern to hopefully break the curse and kick some demon toot, **Kingdom of ruins book 3** A couple of the dragon Shifters really stood out and added a lot to the story line and I hope they keep popping up in the next book, **Kingdom of ruins book 3** We get a couple of chapters from his point of view but most of the book is told from Finley's perspective: **A Kingdom of Ruin kindle paperwhite** Speaking of the future queen she really came into her own in this book. **A Kingdom of Ruin epubs** She was strong compassionate and everything I love in a heroine including excessive amounts of anger and snark, **The kingdom of the ruin** The book built her up as a leader for all and she delivered for me in every way, **Kingdom of ruins book 3** He still had the same snark but his contribution to the overall plot was done seriously and gave his character a bit depth and sophistication. **Kingdom of ruins book 3** Can a guy with kinks than a two year old's Slinky with an penchant for wearing a purple furry costume be sophisticated? Sure why not: **A kingdom of ruin spoilers** I think she's really underrated to the point of almost being on the sideline but she's one cool chick, **A kingdom of ruin spoilers** A few of the plot points readers would have been waiting for are paraded out in this book with the author going all in. **Kingdom of ruins book 3** There was a twist of sorts thrown in but it was pretty predictable as Hadriel left a couple of clues you could drive a bulldozer through. **A kingdom of ruin spoilers** I found the story jumped time a little bit here and there especially when a significant event happened but I didn't mind this for the most part. **Kingdom of ruins book 3** Overall this book is exactly why I love this author and what I've been waiting for from this series. **EBook A Kingdom of ruination** The plot was solid with there still being a good amount of hot scenes and the last few chapters were absolute dynamite to read, **Kingdom of ruins book 3** I love the quote at the start too: I will love the light for it shows me the way yet I will endure the darkness because it shows me the stars Og Mandino: **Kingdom of ruins book 3** A Kingdom of Ruin (Deliciously Dark Fairytales Book 3) (English Edition) eBook : Breene K, **Kingdom of ruins book 3** Let's face it it wouldn't be much of an enjoyable read if it was entirely doom and gloom, **Kingdom of ruins book 3** Finley may be separated from Nyfain but they have their connection and their animals to help keep them sane. **PDF A Kingdom of ruined** We get a new set of side characters too as Finley is not alone in her "new home. **Kingdom of ruins book 3** Book 3 also shows us the depths of love and loyalty some of our favourite side characters possess for Finley, **Kingdom of ruins book 3** She inspires strength in people (old and new) leading them onto paths they never thought they'd tread. **Kingdom of ruins book 3** And while revenge may not be realised just yet Dolion is about to see what happens when the shoe is on the other foot: **Book A Kingdom of ruination** And no I'm not going to elaborate you will have to read it for yourself. **PDF A Kingdom of ruined** So strap yourself in folks the happy ending isn't going to be quick in coming. **Kindle A Kingdom of ruinous** This bumpy ride just took a turn onto a darker rougher road and it's not going to be a pleasant journey. **Kingdom of ruins book 3** Cheers! A Kingdom of Ruin (Deliciously Dark Fairytales Book 3) (English Edition) eBook : Breene K. **Kingdom of ruins book 3** I have read some of her other series but I didn't enjoy them nearly as much as this one, **Kindle A Kingdom of ruinous** It's definitely one of the best series I've read in the 40 years I've been

addicted to reading, **Kingdom of ruins book 3** Put this on your must read list if you haven't already read it, **Kingdom of ruins book 3** A Kingdom of Ruin (Deliciously Dark Fairytales Book 3) (English Edition) eBook : Breene K, **The kingdom of the ruin** Navigating through this book doesn't mean you'll have calm waters quite the contrary you'll face troubled and wonderful waters. **PDF A Kingdom of ruined** Fynley's arrest brings a new setting and various new characters that will definitely gives light for the narrative: **PDF A Kingdom of ruined** However Hadriel stands out funnier and smarter than ever an important character for the protagonists' survival. **Kingdom of ruins book 3** This story gets better by each book which is not a surprise considering our genius Queen. **Book A Kingdom of ruin** A Kingdom of Ruin (Deliciously Dark Fairytales Book 3) (English Edition) eBook : Breene K. **Read kingdom of ruin** Dark gritty emotional sometimes ridiculous and oh so very funny everything mixed together in a great story and fantastic writing: **Kingdom of ruins book 3** A Kingdom of Ruin (Deliciously Dark Fairytales Book 3) (English Edition) eBook : Breene K.F.F. Well I was surprised but in the best of ways.Quick warning this is the third book in an established story. I dunno if that's the right word. I loved Leala in this story too. It still rated high on the entertainment scale though.F.Yep. She's in dungeons but even in misery there is hope.F. I have enjoyed this series immensely. This series is so close to perfect.F.F.F.
