Such a beautiful and cute book! I love it! 0736442421 \$11: **Walmart disney encanto sticker book** Only disappointment was that when u open the book it's very grey black and whiteish, **Disney encanto book** There are about 3 pages half way through the book that are colourful that tells u about the family members the paper for these 3 pages are excellent: **Disney encanto busy book** Its mostly text with a couple of pictures in the middle of the book. **Disney encanto the ultimate sticker book** Ok for my generation but for this over stimulated generation its not holding her attention, **Disney encanto busy book** She keeps asking where all the pictures are? 0736442421 Daughter loves the story but the cover is so vibrant and the inside is just very boring and lacking pictures and color. **EBook Disney encanto full** I was also expecting a larger sized book but that could've been my mistake 0736442421 The book arrived damaged in multiple places: **Disney encanto nightgown** 0736442421 Great book easy to read got it for someone in love with encanto 0736442421

. Any pictures are also grey paper quality not the best. My daughter loves it but definitely let down by the inside. 0736442421 I bought this for my 5 year old granddaughter. Not enough pictures. The cover was torn and dented. The inside pages were ripped and discolored. Very disappointed with the quality
